

ABDULLAH AZHAR

FULL STACK DEVELOPER

Lahore, 54000 Pakistan | abdullahbilu2004@gmail.com | 0317-1476673

PROFILE

I am a dedicated and passionate student at University of Lahore, pursuing a BSCS & IT degree. I specialize in **MERN Stack**, **Next.js**, and **CMS development** including **WordPress** and **Shopify**, with hands-on experience in building responsive and dynamic **web applications**. I am eager to leverage my technical skills to create impactful solutions and continuously grow in the field of software development.

SOFT SKILLS

- Leadership and Team work
- Adaptability
- Communication skills
- Research skills
- Interpersonal and Intrapersonal skills
- Time management

HARD SKILLS

- Frontend Development: React.js, Next.js, HTML5, CSS3, JavaScript, Tailwind CSS
- Backend Development: Node.js, Express.js
- Database Management: MongoDB
- **CMS Platforms:** WordPress, Shopify

TOOLS

- VS Code
- WordPress
- Shopify website Development (E-commerce)
- MS Office

WORK EXPERIENCE

Full Stack Developer Intern | TEYZIK CORE (Remote) June 2026 - July 2026

- Developed full-stack web applications using **MongoDB, Express.js, React.js, Node.js, and Next.js**.
- Built responsive user interfaces and integrated **REST APIs** with secure authentication.
- Worked on **frontend** and **backend development, database management, and application optimization**.
- Collaborated with the development team using **Git/GitHub** while following clean coding practices.
- Contributed to real-world projects including **TalentNova (Job Portal), Vendor Management System, and an ongoing Marketplace Platform**.

MERN Stack Developer Intern | Dawley.io (On-Site) July 2025 – Sept 2025

- Developed and maintained responsive **web applications** using **MERN Stack**.
- Implemented dynamic features and user interfaces with **React.js** and **Next.js**.
- Worked on **CMS** platforms including **WordPress** for client projects.
- Collaborated with the development team using **GitHub** for version control.
- Assisted in debugging, testing, and optimizing website performance.
